

Catonsville Rails To Trails

Spring Bike Ride

Enjoy a 14 mile mid-morning, two hour guided bike ride to the Gwynns Falls Trails newest link along Winans Way and follow it all the way into Dickeyville. The new link separates the cyclist from the cars and easily connects to the Gwynns Falls Trail. However the steep grade on Winans Way remains the same. Those who want a longer ride can continue to the #9 Trolley Trail & back for a total of 25 miles.
