

The Canister Ministry at Trinity Church

Have you ever walked out of Trinity Church, and noticed those random boxes by the exit? Were you curious to what that ministry was all about? Well there are actually several ministries being offered in a one drop stop.

All of these are small ways we are reaching out and supporting our wider community. We are in need of people to coordinate this "Canister" ministry which would involve cleaning the containers out once a month, and making sure they make their way to the correct spot. If you are willing to do this please call the church office at 603-926-5688.

Pennies for Preschool

Place your loose change that you have to help fund a scholarship at the Village Preschool. The money is used for their enrichment programs and are combined with the Soup and Chowder Challenge to defray the cost of their music programs.

Food Pantry

Always forgetting to pick up an extra canned good or boxed item for our food pantry? We also offer a donation jar for financial support, which we use to go to the store and purchase items of desperate need. There is also a bucket below the table for donations of canned goods, non-perishable goods. While we appreciate the food that parishioners bring in, many community organizations will start to bless us with their donations. Another need is for health and beauty products.

Soda Can Flip Tabs

As part of our ecumenical outreach, we have teamed up with Sr. Doris of Our Lady of Miraculous Medal to collect the can tabs. Nita collects the tabs once a month and delivers them to Sr. Doris. If you could continue this tradition and the next time you have a soda, please pop off the tab and bring it in on Sunday to Church and place in the tab container.

Box Top for Education/Campbell Soup Labels

Hampton School District's participation in both the Box Top for Education and Campbell Soup Labels campaign is the impetus for the two more containers. Each container is where you can place either the "Box Top Tabs" or Campbell Soup labels.
