## WHAT IS NETS EXPRESS?

NETS Express is a fast-paced, short-term version of the world-class Northeast Evangelism Training School program. It is designed for busy people who may not be able to dedicate four months to the full NETS training experience.

Packed with relevant and timely evangelistic insights as well as time-tested methods that consistently produce results, the NETS Express program has something for the hesitant but willing church member as well as the experienced soul-winner. Young and old alike are invited to attend this inspirational and motivational training experience and learn the power and beauty of combining health evangelism, personal evangelism, and public evangelism. Students of NETS Express will leave with greater confidence as they return to their homes, churches, and schools to share Christ and the beautiful truths of His Word with others.

The NETS program is part of the Atlantic Union Conference and is supported by the General Conference and the North American Division.

## AT NETS EXPRESS, YOU WILL GAIN VALUABLE INSIGHTS IN:

- Bible worker training (personal evangelism) – How to share your faith with friends (and complete strangers!)
- Combining health evangelism with traditional evangelism – The missing link to softening hearts
- Gaining Decisions – Gain decisions without guilt or force by using Christ's methods of persuasion
- Overcoming objections – How obstacles can become opportunities
- The cycle of evangelism – Getting the most out of the fewest resources
