Sales Reps	10,000	10,000
Sales Tax Codes	10,000	10,000
Advanced Inventory Sites	N/A	200

* QuickBooks Enterprise Solutions 7.0 and later versions allow you to add up to one million names (e.g. customers, vendors, employees) and up to one million items (e.g. inventory, non-inventory, and service items). Some performance degradation is likely as your lists approach these size thresholds.
