
**A RESOLUTION PROCLAIMING OCTOBER 2011 TO BE ENERGY
AWARENESS MONTH
IN [COMMUNITY NAME]**

WHEREAS, Energy Awareness Month stresses the importance of conserving energy, using energy more efficiently and making intelligent, clean energy choices at home, at work and at school; and

WHEREAS, rising energy costs are a growing concern to residents, local businesses, and schools, and

WHEREAS, reducing energy use leads to decreased dependence on imported energy, increased support of local markets' energy efficiency products and services, and improved environmental quality; and

WHEREAS, investment in energy efficiency is critical for our community to enhance our energy independence, build a sustainable future, and create local jobs; and

WHEREAS, Governor Sean Parnell has proclaimed October 2011 as Alaska Energy Efficiency Awareness Month.

NOW THEREFORE BE IT RESOLVED that the [Entity Name] hereby proclaims October as Energy Awareness Month in [Community Name], and restates its dedication to conserving energy at home, at work, and at school.
