

One Million Voices to End Abortion! Finally, The Supreme Court is Listening! Acknowledges pain and sorrow of abortion but needs more

Do you want to see the end of *Roe v. Wade*? You can help by becoming a Declaration Ambassador for **Operation Outcry** (www.operationoutcry.org). **Operation Outcry** is a project of The Justice Foundation (TJF) to reverse *Roe v. Wade*. **Operation Outcry** has already proven its effectiveness at the U.S. Supreme Court.

The Supreme Court is listening! Thirty-five years after the Supreme Court legalized abortion-on-demand, the tide has turned. It's the beginning of the end of *Roe v. Wade*.

Upholding the federal ban on "partial-birth abortion", the Court cited TJF's Friend of the Court Brief in its ruling. The brief was filed on behalf of Sandra Cano, who was "Mary Doe" of *Doe v. Bolton* (the companion case to *Roe v. Wade*), and 180 women hurt by abortion.

Citing sworn testimony presented by TJF from women who had abortions, and acknowledging that **abortion hurts women**, the Court concluded that "some women come to regret" their abortions. "Whether to have an abortion requires a difficult and painful moral decision", it is "fraught with emotional consequence". **The Court also noted that "severe depression and loss of esteem can follow" an abortion.**

HOW CAN YOU BE INVOLVED?

As an **Operation Outcry** Declaration Ambassador (DA), you can help us mobilize one million voices to express the harm that abortion causes men, women and children. You can copy and give a Declaration form (see reverse side) to women who have had abortions so they can tell the Supreme Court how abortion hurt them. *Men's Declarations* are available at www.operationoutcry.org.

The Supreme Court said that abortion can cause "severe depression and loss of self-esteem", **but the Court also said there is no reliable data on the size of the problem.** That's why we need to collect one million Declarations! We must collect and present the truth!

WHY WE COLLECT DECLARATIONS

- To save others from being hurt by abortion.
- The power of testimony touched the Supreme Court.
- Written testimony is the most confidential, private, simplest, long-lasting, and effective form of being a witness.
- The Court's ruling is an invitation to provide further evidence of the harm of abortion.
- We need to be ready.
- We need to show the Court the magnitude of the harm of abortion.
- States need evidence to regulate or ban abortion.

OPERATION OUTCRY is the nationwide project of **The Justice Foundation**, a non-profit legal foundation, to expose the truth about the devastating impact of abortion on women, men, families, and the culture. **For more information, visit www.operationoutcry.org.** **Operation Outcry** has been endorsed by **Julie Parton, Ph.D., Allan E. In the meantime, complete this declaration form so that the Supreme Court and legislators will know the truth of what abortion did to you. **You must sign your full name for the form to be legally admissible, but we will always protect your personal contact information** from disclosure, even to the courts, and you can indicate on the form whether we should use your full name, first name only or initials. You may also indicate whether we may contact you in the future, or if you wish to never be contacted again. Your identity can be kept private and confidential, but your truth can be taken to the Supreme Court and legislatures around the world.

We need to mobilize a million voices of those who have been hurt by abortion to show the size of the problem.

If the truth about abortion is not collected, the lie that abortion is good for women will win. How do we overcome Satan, by the "Blood of the lamb and the word of their testimony..." Rev 12:11 Fill out the Declaration or share it with a friend!

If someone you know has had an abortion, encourage them to complete this form.
