The 5-day Adult/Adolescent course will provide the professional nurse who is interested in practicing as a Sexual Assault Nurse Examiner (SANE) with the knowledge and skills necessary to independently examine the female and male adult victim of rape.

The 3-day Pediatric course is offered as a combination course *or may be taken by only previously trained SANE-Adult/Adolescent RN's.*

Each Participant will receive in-depth orientation to the physical, emotional and social reactions to rape and sexual assault across the lifespan. In addition, each participant will have the opportunity to perform a standard evidentiary physical evaluation and examination.

*Commitment:* A SANE Nurse provides on call services for all male and female victims of sexual assault or abuse. Adult and Adolescent

are age 12 and above, Pediatric Training encompasses ages under 12. For St. Luke's Employees: *You must be available to all campuses when on call.*

Cost: St. Luke's Hospital

Health Network Employees: **NO CHARGE!**

*Non-employees:*

\$600.00 Adult/Adolescent

\$240.00 Pediatrics

\$750.00 for Combo A/A/P

(make check to St. Luke's Hospital Sane Program)
