

EMT-B SKILLS WORKSHOP

August 11-12, 2012 • 8:00am-5:00pm

Considering challenging the EMT-B skills exam or expanding your medical career to include pre-hospital healthcare? Join us for a weekend workshop to learn the skills needed for pre-hospital care and prepare for the EMT Skills Challenge Examination administered by the Pennsylvania Department of Health.

Our EMT-B Skills Workshop is ideal for licensed registered nurses and physician's assistants who want to bridge into the EMS field. The Workshop also prepares EMT's to reestablish their lapsed certifications and is an excellent prep for current EMT-B

students taking the Local & State examinations on August 16-17, 2012. Licensed EMT-B's who successfully complete the workshop can obtain PA EMS coned CEUs (16 total; 14 MED/trauma and 2 for other). The workshop includes a combination of lecture and hands-on exercises. Topics include, but are not limited to:

- Pennsylvania BLS Protocol Review
- BLS Airway Management
- Medication Administration & Limitations
- Immobilization Techniques for Trauma Patients
- Patient Assessment - Medical & Trauma
- Splinting Techniques

Registration Information

Prerequisite: To enroll in this program, interested participants must hold one of the certifications mentioned above or be a currently EMT-B student.
