

Prayer Request for 2013 and Beyond...

Only by God's grace, and for more than a decade now...

Pentecost Walk has served the Lord by coming alongside His church as ambassadors of *repentance-in-unity*. This calling came with a promise: **“If you do this, I will change the spiritual landscape of the nation.”**

With thousands of miles prayerwalked, thousands of “amens” on our *National Prayer of Repentance*, and a growing army of pastors testifying of transformational change in the wake of our joint-efforts, **we are seeing the birth pangs of that promise fulfilled!**

America's future is in question; a genuinely humble and repentant Church is the only answer.
Our efforts to call His people to repentance must not let up!

A runner's pace increases in the homestretch. We believe **God has revealed a homestretch strategy:**

“IF THE LORD WILL...” (See James 4:13-16)

- **Preparing the Way in 100 Cities**, *Summer 2013 – Spring 2014*
A prayerwalking tour of 100 U.S. cities (revisiting 50 state capitals + 50 cultural capitals) to partner with pastors-and-leaders in preparation for our homestretch of regional body-wide prayerwalks.
- **100 Regional Prayerwalks**, *Summer 2014 – Summer 2015*
Multi-day events in the same 100 cities, initiated by pastor-and-leader prayerwalks, culminating in a homestretch of regional body-wide prayerwalks, co-led with local leaders.
- **National Day of Repentance**, *Sunday, September, 20, 2015*
A day of congregational and public prayer, including a watershed ingathering of signatures onto the *National Prayer of Repentance*, officially recognized (by governmental proclamation) in all 50 states.
- **Pastors Prayerwalk to the White House**, *September 22, 2015 – October 21, 2015*
Beginning on Yom Kippur, the Old Testament Day of Atonement, a 3,400-mile prayerwalk-relay by pastors-and-leaders, retracing the cross-country route of our first prayerwalk.
- **Presentation of the National Prayer of Repentance**, on or about Wednesday, October 21, 2015
Fourteen years after our first scheduled meeting with President George W. Bush was postponed due to national security protocols in the wake of 9/11, we believe God will grant us great favor again.

How to pray for us...

Fire...that we stay ablaze with the fire of the Holy Spirit, walking in real-time obedience to Him. (Gal. 5:25)

Family...that God protects our family and friends in the midst of an arduous schedule. (Eph. 4:3, Gal. 6:2)

Favor...that His favor goes before us everywhere. *Favor is better than talent!* (1 Cor. 16:9, Col. 4:2-4)

Fortitude...that we are sustained by supernatural strength and healing. (2 Cor. 4:17, 2 Cor. 12:9, Phil. 4:13)

Funding...that God's abundance is manifest through friends like you. (1 Cor. 9:11-14, 2 Cor. 9:6-11)
