Even—especially—in these tough economic times, God is calling us to give extravagantly of our time, talent, and treasure. Friday will be a time set apart for pastors. This focus will be on giving as a heart issue. Are we ready to be transformed by the experience of extravagant generosity? Are we able to trust God with the whole of our lives and our living? On Saturday, we will focus on Biblical foundations, barriers to giving, and starting points for the development of extravagant generosity.
