

# camp is for you

The right camp should be one of the most fun filled and growing experiences of a child's life. At Pleasant Hill you'll find a camp home where you not only have a blast but you can learn new things, meet new friends, and discover the spirit of adventure, inside of you. During the day, you'll find activity areas for almost every interest including performing arts, marksmanship, action sports, outdoor living, crafts, team sports and more all of which will teach you new skills and develop your confidence.

Our evening fireside is the best time of the day! It is during this all camp gathering that you'll get to perform your skits and mimes for all of your friends (if you've selected performing arts). You'll get to know God in a new and fresh way, and learn that He loves you for who you are without condition or limitation!

We'll show you some fresh new ways to look at who you really are and we think you'll like what you see.

At Pleasant Hill you'll find a warm feeling that comes from our special brand of camping, a place where you can shine from the inside out!

ach day begins around the flag pole where we raise the American flag and recite the pledge followed by Morning Watch in our amphitheater for our devotional thought for the day. After a hearty breakfast you will get to explore the Skill Areas of YOUR CHOICE. In each of these morning skill areas we'll focus on learning something new while keeping it fun too! After a delicious lunch you and your friends will head to our newly improved beach front for some fun in the sun including swimming, tubing on the lake, canoeing and more followed by some much needed chill time in your air conditioned cabin. Before dinner you are able to choose from a wide range of electives such as archery, rock wall, mountain biking, vertical play pen, zip line, fishing, slip n slide and more. Or you can simply chill by the snack shack with a treat and maybe share a game of checkers or carpet ball with a friend. Evenings are marked by an "all camp" large group game then flag lowering ceremony. Our day ends with a fireside complete with skits, games and all of your favorite traditional camp songs. It is during our evening fireside that you'll get to know God in a new and fresh way and learn that he loves you without condition or limitation. We'll show you a new way to look

> at who you really are and we think you'll like what you see!
