May 5th

10:30 a.m.-3:00

Trinity United Presbyterian
Church
830 Military Rd.

Join Trinity United Presbyterian Church for a day of learning, sewing, and fellowship. Doors open at 10:00 for set up. The program will begin at 10:30. Sue from Building a Better Burkina Faso will give a presentation on how God is working through her and her church to help people in a small town in Africa. We will spend the rest of the afternoon speaking with others who have made mission trips to Africa, spending time in devotion, and making simple skirts and dresses for girls in Burkina Faso. No sewing skill is needed! We will enjoy a potluck luncheon at noon and will finish by 3:00. Donations of fabric and elastic will be greatly appreciated! For more information or to RSVP contact Amanda Allison or Nancy Cornett at 452-8482.
