OF MUSKINGUM VALLEY PREBYTERY

SAVE THE DATE! SAVE THE DATE!

Life has never been stable for children in Haiti. Even before the January 2010 earthquake shook Port-au-Prince, the country had the highest child-mortality rate in the Western hemisphere. Only half of all primary-school-aged children attend school in 2008, and one in five children was malnourished. That's why it's not enough to return to the way things were. These youth deserve better.

Rev. Cathy Adams from Mansfield will speak about "Life as a Mission", the small church & Haiti.

Luke 4:18 - The spirit of the Lord is upon me. Because he annointed me to preach the gospel to the poor; He sent me to heal the broken hearted....

I ask for your help in filling the co-ordinating team roster in order to honor M.V.P. PW's portion of continuing service to the women's mission to the world through prayers, education & support. I have suffered a life threatening illness and must reduce my physical involvement in PW. Other members are aging and find the same need to reduce activity. Please step up to the challenge to help all women. Call Barb Amon.

Please bring a display of your projects, local or missional and outline of how your PW group meets. Remember to send pledges & Birthday offerings. Do you have items of interest in church & your PW to publish in July's Relate? Please send to Barb Amon, 8390 Richey School Rd., Hanoverton, OH 44423 or call 330-223-2054 ASAP!
