Seeing The Word: A *Visio Divina* Retreat for Pastoral Ministers

The *Visio Divina*: Seeing the Word retreat invites parish ministers and catechists to pray with the illuminated Word of The Saint John's Bible and to extend that prayer through making art under the guidance of a master artist.

Visio Divina II: Praying With Imagination

This retreat is designed for those people who have attended a *visio divina* retreat and would like more time for silence, spiritual teaching, and individual art. The emphasis of the retreat will be less on making a book and more on filling it with words and images of our lives.

October 17-21, 2011

*Abbey Guesthouse
Kathleen A. Cahalan*

Following *visio divina* each morning, participants will engage in art in different places on Saint John's campus. Retreatants will have more time for silence and more direction and teaching on inner spiritual work.

Priority will be given to past participants of a *visio divina* retreat.
