

A Night Under The Stars

A Sunset Facility Event

On Friday, September 23rd, 2011 the residents of Sunset Facility hosted the annual event "A Night Under the Stars" which took place at 6:30pm and lasted until 10:00pm. The event consisted of a live jazz

band, a live Disc Jockey, and the main featured movie, "Grease", which played for most of the night. Everyone, including staff members, was dressed in 'Fifties' attire to bring an authentic feel of the era to the occasion. All around the facility grounds were several stations consisting of a variety of foods. The event was started off by the Red Carpet Affair where all the individuals had their photos taken as they strolled through to sign in at the registration stand. Fluorescent bracelets were given out as they joined the festivities. The first station encountered was the concession stand where popcorn, hot dogs, croquettes, and refreshments were shared. At the next stand the featured movie played as a back drop to the live jazz band, Seizurely. The event's commencement was presented by the Administrator - Anna Moor, QDDP - Mayda Mendoza, and RSCs - Cheryl Taylor, Jessica Rego, and Maych Yon. As part of the introduction all the highlights of what was to come were presented. A presentation film was played showing how all the residents from Sunset Facility participated in the preparations for the event. The video showed how, in anticipation of "A Night Under the Stars," a day of the 1950s cultural era was presented to all Sunset residents through the watching of movies, commercials, and music videos of the period. During this presentation everyone learned about Fashion Styles, Trivia, Technology, Film, Art, and Music of that time. The contribution of the Senior Program residents as they prepped by making decorations and posters was also shown. The event finale went through a series of modern day songs which the individuals greatly enjoyed as they danced the night away along with the staff. Sunset management truly appreciates all the hard work and donations that went into making this night successful for not only our individuals, but for all those who came out and showed their support.
