

Recycled Crafts

There are many things you can create from recycled items. One time my aunt took a used Altoid tin, painted it silver, and then put rhinestones on it in the shape of an “M” and used it as a container for a gift card one Hanukkah.

Another item you can make is a pencil holder. Take an old coffee can, recycle the lid, then cover the can with wrapping paper or decoupage it with scraps of old wrapping paper, then use it to hold pencils, pens, scissors, or anything else.

What type of things have you made from recycled items? Send us your ideas so that we can share them! Send them to jvaughn@oakparkusd.org.
