

## “I Knew You Were Trouble” Review

By: Kaitlyn Nehira

The song “I Knew You Were Trouble” by Taylor Swift is about cheating. She knew that the guy she dated was going to be trouble, but he was so charming and popular that she didn’t want to break up with him. She realized in the end that she should have never trusted the guy because he ended up leaving her. This song is very interesting and the lyrics are easy to understand. When Swift sings the song, you can tell she is singing about her feelings.

The background music is very catchy and gets easily stuck in one’s head. I like this song a lot because it has a great tune and you can feel her emotions when she sings it. The song itself is just great all around in my opinion. If I could rate this song, I would give it a 4.5 out of 5. I would give it that rating, because of how great she sang it and just how fun the song is. To conclude this song review, I think that “I Knew You Were Trouble” song is the best that Taylor Swift has ever written.
