I surveyed 70 kids. I told them all to circle as many that applied to them. I did two different surveys, one for boys and one for girls. 21/29 boys didn't like the main stores like Tilly's, Zumiez, and Active. Most boys liked shopping at Target, Vans, and Old Navy. 18/29 boys enjoy wearing a pair of shorts and a shirt. The second most tallied was jeans and a shirt. 17/29 boys like wearing Nikes for their shoes. 9/29 boys like wearing running shoes. 20/29 boys like wearing watches for accessories. 24/41 girls like other stores such as Target and Hollister. 14/41 girls like Brandy Melville. 18/41 girls like shopping at Forever 21. Also, 18/41 girls enjoy shopping at Abercrombie. 26/41 girls like wearing jeans and a shirt for their outfits. 10/41 of the girls like wearing other things such as sweaters with jeans and shorts and tank tops. 23/41 girls enjoy wearing Converse for their shoes. 11/41 also enjoy wearing combat boots. 15/41 ladies enjoy earrings for accessories. 11/41 girls like wearing bracelets also. 7/41 ladies disliked wearing any accessories. During this survey, I collect lots of facts on 70 kids. I wanted to learn what the most liked stores for girls and boys at Medea Creek Middle School were.
