

Fun Feature  
Grissini Italian Restaurant  
By Kendall Kramer

Tired of that plain, old, boring, Italian restaurant that just isn't authentic? Have you ever wanted to try something new? Grissini is the place to go! With Italian décor and authentic homemade food, you will actually feel like you're in Italy.

Grissini is a great place for families. The waiters are nice, friendly and there is great service. The food is amazing. With great homemade pasta and dough, you'll want more and more.

I highly recommend the gnocchi with their four-cheese sauce. It's-melt-in your-mouth kind of good. In addition, the dishes are reasonably priced.

Grissini also has a gathering room to hold parties. Even having birthday parties there are great. The desserts are amazing and they will even sing "Happy Birthday" to you in Italian.

If you are interested in trying something new, contact Grissini at 818.735. 9711. Their address is Agoura Road Agoura Hills, CA 91301 (1 Block East of Reyes Adobe)
