Movie Review
By: Taylor Gonzales

The movie, Safe Haven, starring Josh Duhamel, and Julianne Hough came out February 14, 2013.

I thoroughly enjoyed it. The movie had an emotional yet exciting plot. It kept you on the edge of your seat, while also making you want to cry.

Eighth-grade student, Zachary Bartlett stated, "I was in the movie theater with a group of my good friends, and I tried to hold in those tears, I really tried, but I just couldn't. The movie touched every single part of my heart."

Josh Duhamel played a shop owner named Alex who had two young kids. He did a great job with the emotional plot, and he also stayed in character the whole time.

Most movie reviews online rated this movie 5 stars, and recommended for couples to go see. I give this movie five stars, and encourage people who want to see a dramatic love story to go see it.
