

Michael Baker Jr., Inc., a division of Michael Baker Corporation (Baker) and a top 30 ENR Engineering Design firm, is seeking a number of individuals to join our offices in Connecticut, Massachusetts and Rhode Island. Baker is seeking:

- **Bridge Inspection Team Leader (TL)** for our Rocky Hill, CT or Lincoln, RI locations. Requires BSCE with an EIT or PE Registration and must be qualified as a NBIS Team Leader and able to also work in the field year round.
- **Bridge Inspectors** for our Rocky Hill, CT, Norwood, MA or Lincoln, RI locations. Requires BSCE with structural concentration and able to work in the field year round.
- **Construction Manager** for our New Haven, CT field office. Requires a BSCE with 15 years plus rail and or facilities construction experience and CTDOT project experience.
- **Community Liaison Specialist** for our West Hartford, CT field office. Requires web site and graphic skills and ability to interact with town officials on construction issues. Prefer a BSCE with affinity for public outreach.
- **Engineers to provide construction engineering services related to the rehabilitation of a historic railroad station in Berlin, CT.**
  - **Resident Engineer** to supervise the inspection process. Requires a BSCE and 10 years of construction inspection experience, preferably on CTDOT projects.
  - **Office Engineer** to assist the Resident Engineer. Requires BSCE and three years of construction inspection experience, preferably on CTDOT projects.
  - NICET or NETTCP can be substituted for above education or professional registrations.
