A service to the community by Everywhere Unified School District

Local Needs Assessment of Adult Education:

District (this is all information that should be available from your district):
- % of free and reduced lunch
- % of students designated EL
- % parents who speak a language other than English at home
- Parents' education level (in some district lots of post-graduates and lots of non-HS… so an "average" would not demonstrate need)
- Dropout rates – (this is a very sensitive stat—reporting the number may not be welcomed by our mother districts)

Community:
- Unemployment rates (available from EDD or WIB)
- Youth unemployment rates (16-24)
- % who speak a language other than English (census by zip)
- Literacy levels (NAALS by county—harder by zip. Below basic is target adult school population)
- Education levels (census by zip)

School Statistics on Program and Outcomes:
- Number of adults students served in all programs
- Number of students served in core programs: ESL, HSD, GED, Citizenship and CTE (corrections?)
- Number of adult diplomas granted
- Number of GED certificates earned
- Number of students who received citizenship; Number of students who registered to vote:
- Number of students who completed CTE programs and/or earned certificates
- Number who transition to other programs – either within adult school or to community college or other training – this may be hard to define
- Number of concurrently enrolled students served in credit recovery

Number of credits earned in credit recovery, number of graduates of comprehensive HS who completed credits in CR.

The usual, although sometimes questionable Tops
- CASAS data: number of students who advance a level: NRS outcomes: got a job, kept a job
- Family literacy: Met family goal, Increased involvement with children's education

School Statistics on Student Demographics:
- Ethnicity: Latino, White not Latino, Black, Asian, PI, Other. Language groups
- Educational level at entry
- M/F? Age?

- Number of students who walk to school: Number of students who take public transportation (from a survey?)

- CalWORKS participants
- Carl Perkins eligible

School Facts
- Date founded
- Number of full time and part time teachers
- Number of classified staff
- Number of sites: School campuses (elem. etc.), community sites (family resource centers, churches, libraries etc.)
- Community partners – list? Community advisory?
