IEHA Parking Instructions for March 14-15,2012

Parking is available in the Lincoln Parking Structure which is next to the Student Union Building. The main entrance to the parking structure is located off Belmont Street. You will be able to park in any space that is not designated by a sign.

1. Remember the space number then proceed to a pay kiosk. Pay kiosks are available on each floor by the staircase, and the first floor machine is located in the lobby of the Northwest staircase.
2. You will need to enter the space number at the pay kiosk.
3. Select pay by the hour. Enter estimated number of hours you will be parked.
4. Enter the coupon code 20125617 for free parking. You will be prompted step by step by the kiosks as well as have written directions on each machine.
5. You will be given a receipt once the transaction is finished (You do not have to place on your dash).

You can view an interactive campus map at:
