

SMALL MEMBERSHIP CHURCH WORKSHOP

Saturday, September 17
10am– 3pm
Pilgrim UCC Parish House
6000 East Harry, Wichita, KS

What do mustard seeds, widow's mites, leaven in the loaves,
and a little boy's lunch all have in common?

They are all lessons from Jesus on how

SMALL = MIGHTY

Come to this gathering to learn how God uses SMALL to do MIGHTY mission and ministry. The workshop will provide strategies and support in how to find and live out your mission and ministry as a small membership church. We will also provide training on making a pastoral transition as a small membership church. This workshop is for lay leaders (especially Council/Consistory members) and pastors— bring a team from your church to get the most out of the event. It is geared to congregations that worship less than 100 members on a Sunday, but everyone is welcome to attend.

FREE LUNCH PROVIDED

Leaders of the workshop will be the Rev. Krista Betz, the Interim Conference Minister of the Kansas-Oklahoma Conference and the Rev. Jane Fisler-Hoffman, recently retired UCC conference minister who has served in two conferences. Both these leaders have worshipped, served, and supported many small membership churches and will witness to these churches' mighty ministry.

RSVP for lunch by September 12 to kbetz@kocucc.com or 316-686-4331
