**MONTGOMERY, Ill.** – It has been an exciting time for Settler's landing in Montgomery, Illinois.

Gary Guo, from Number#1 China and I started dancing in the parking lot the first week Planet Fitness opened. I have not seen the parking lot this full in years, laughed Gary, whose business has been in Montgomery for over 6 years. It's been a great addition to Douglas Road.

Besides the unbeatable value, Planet Fitness stands apart from other health clubs by providing a relaxed, hassle-free atmosphere where everybody – no matter their fitness level – can feel comfortable pursuing their goals. It's something called the Judgment Free Zone®, and it's a real breath of fresh air.

That's why Planet Fitness – with more than 500 locations and 3 million members nationwide – is a brand partner of the NBC television show "The Biggest Loser."

The Montgomery gym features over 75 pieces of cardio equipment, including treadmills, ellipticals, arc trainers and both recumbent and upright bikes. The cardio area also features 27 60-inch LED flat-screens televisions. The club has two full circuits of strength machines, a 30-minute Express Circuit, a 12-minute ab circuit, 5 tanning booths, massage chairs, Hydro-massage beds, a red light therapy booth, and full locker rooms.
