

United Methodist Men General Commission

By nature men are doers. We like to show what we can accomplish. To do that, we must challenge the church to:

Encourage the spiritual growth and faith development of men.

Involve men in personal witness and evangelism within their communities and beyond.

Expand the financial support of men serving the needs of children and the poor at home and abroad.

To better prepare ourselves & to share our knowledge, we felt the need to better understand the growing Islam faith.

What is the Muslim world really like?

What is Sharia Law?

What is Jihad?

Your conference UMM are proud to present an unbiased even handed look at a part of the world that most of us do not understand. If a little knowledge can be a dangerous thing, then most of us are walking WMD's when it

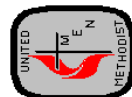

Opening doors to new possibilities through Christ.

comes to the Middle East & the people who live there. Dr. Robert Hunt has been a Christian Missionary in the Arab world. He has lived with the people & dealt with their culture & laws. Join us as he paints a realistic & unbiased picture of a culture & way of life that most of us will never experience.
