

## ***CHAIR, DEPARTMENT OF SURGERY***

The University of Medicine and Dentistry of New Jersey – New Jersey Medical School invites applicants for the position of Chair of the Department of Surgery. This Department has a long and rich tradition of clinical excellence, and the Chair shall provide leadership and vision for the continued growth of its clinical, educational and research missions. Candidates for the position must be eligible for appointment to the academic rank of Professor and should have a demonstrated record of outstanding leadership and accomplishment. International recognition in clinical, research and educational endeavors is expected, as well as strong experience in mentoring faculty and residents.

The Department of Surgery has long been recognized as a regional and national center of expertise in trauma, surgical critical care, transplant, plastic surgery and urology. With over 140 full-time and affiliate faculty and several research laboratories, the Department continues its mission towards further national clinical and research prominence. As the largest Surgery residency training program in New Jersey with over 40 residents, the Department provides outstanding education through its hospital affiliations. Additionally, the Department has fully accredited training programs in Urology, Plastic Surgery, Vascular Surgery and Surgical Critical Care.

Interested individuals should send a curriculum vitae or letter of inquiry to Charles J. Prestigiacomo, MD, FACS, Chair, Search Committee for Chair, Department of Surgery, c/o Michael Petti, Executive Assistant to the Dean, UMDNJ-New Jersey Medical School, 185 South Orange Avenue, MSB C-671, Newark, NJ 07101-1709 or email [pettime@umdnj.edu](mailto:pettime@umdnj.edu).

Women and minorities are encouraged to apply. Unless confidentiality is requested in writing, information regarding applicants and nominees must be released upon request. Finalists cannot be guaranteed confidentiality.

UMDNJ is an Equal Opportunity and Affirmative Action Employer.
