

CHAIR OF THE DEPARTMENT OF PEDIATRIC NEWBORN MEDICINE

Brigham and Women's Hospital and Harvard Medical School are seeking an academic leader to serve as the Chair of the Department of Pediatric Newborn Medicine at the Brigham and Women's Hospital and Professor of Pediatrics at Harvard Medical School. This individual will be responsible for the full scope of clinical, research and educational activities of the department as well as collaborative activities with the other departments, Partners HealthCare System, Harvard Medical School, Boston Children's Hospital and other affiliated institutions.

Requirements:

Candidates should have a strong record as a mentor and as a teacher, national recognition for research accomplishments, and possess exceptional leadership, managerial and collaborative skills. Ideally, she/he would be a proven leader with an international reputation in neonatology who can lead a complex and successful department to even higher levels of excellence.

An EEO, AA, VEVRAA Employer

How To Apply

Interested candidates are requested to submit a current Curriculum Vitae to the email or mail address below for consideration. rbarbieri@partners.org

Robert L. Barbieri, MD
