

UKIAH FLAT TRACK PRACTICE DAY 2!

Back by Popular Demand – Second Flat Track Practice Scheduled

WHEN? Sunday MARCH 3, 2013 (No...not Feb 3, 2013 Superbowl Sunday)

WHAT TIME? Gates Open at 9:00 am. Practice Starts at 11:00 am.

BONUS! The Snack shack will be open. Race fuel will be available for purchase at the Track.

WHERE? Ukiah Speedway Ukiah, Ca. 1/8 Mile Banked Blue Groove Track.

Take the State St. Exit off Hwy. 101 and go south on North State St.
Turn Left on Ford Rd. Drive ¼ mile and there you are!

HOW MUCH? \$25.00 per Rider. Spectators \$10.00 (kids under 12 FREE!)

WHAT TIRES CAN I RUN? It will be Class "C" Traction. No Knobby Tires on the rear (ideally we would like Class "C" Traction front & Rear) Pee Wee's (bikes 50cc or less) can run any tire. If you are on a budget and still want to try this out, check with your local motorcycle shop for a well worn used Dual sport tire.

WHAT KIND OF BIKE CAN I RIDE? Pretty much anything you want, as long as you remove the kickstand.

All riders are welcome. This is a great opportunity for kids as well as adults to try Flat Track!

IMPORTANT!! Why should I go?? The new Race Promoter for this facility is seriously considering promoting a regular Flat Track Race Series for the 2013 Season. We had a great turn out last time, and hopefully we will be announcing a 2013 Race Schedule soon. **REMEMBER!** A good turn-out of Riders as well as Spectators would help. This would not only bring motorcycle racing back to Ukiah, but also Bring Flat Track Back to the North Bay!
