

How can one help the youth in our community?

Become a **MENTOR**

Mentoring youth is important to the Boys & Girls Club Movement.

**Please join us in guiding our youth towards success,
for our youth are our future leaders.**

Who makes a helpful Mentor?

Mentors are caring individuals who, along with parents or guardians, provide young people with emotional support, counsel, friendship, a trusting relationship, reinforcement and a constructive example in a structured place, like the Boys & Girls Club.
