

**How can one help the youth in our community?**

Become a **MENTOR**

**Adults we have an awesome opportunity for you to make a huge impact in the life of a young person!**

Come read a book with a Club member, play a game of foosball or chess. The impact a positive adult role model can have on a Club member just by visiting once a week, has a lasting effect on our community and the young people we are raising to become our next leaders. We appreciate any time you can give!
