- Complimentary wireless internet in all guest rooms, meeting spaces and public areas.
- **And. . . "WIC is the least expensive way to make quality contacts with suppliers and peers during one trip . . .worth five times the cost!"**

Joe Strous
Hermance Machinery Co.

"Connecting the Industry", the WIC 2012
See you in Delray Beach, Florida

"Connecting
the
Industry"

"A worthwhile conference for anyone interested in the future success of the woodworking business."

Gilles Guerette
General/General Int'l.,
Mfg. Co. Ltd.

"This is a great opportunity to engage the players involved in the woodworking industry and grasp the future of the industry."

Madison Burt
Weima America Inc.

These are just two of the positive comments from last year's WIC attendees.

WIC has become the "One Industry" conference that you cannot afford to miss!

Attending the "One Conference" will give you a wealth of knowledge, practical information and valuable contacts. Realize 'Endless Opportunities' for your company: an unmatched value for your business.
