

Executive VP

It's A Very Active Spring for AWFS® Members

March, April and May present three distinctly unique opportunities for AWFS members to network with the AWFS staff and other members of the woodworking community.

AWFS will have its first ever Open House combined with an Annual Meeting at our office in Commerce, California. The event will take place from 4:00 p.m. to 7:00 p.m. and all AWFS members are welcome. The dress and atmosphere are casual and it's a great opportunity for members to get to know the staff and hear about what the Association is doing to make a difference in the woodworking industry. If you are interested please contact Kim Roechricht (323) 215-0315 or kim@awfs.org.

The AWFS Golf Tournament will take place on Monday, April 2, 2012 at the Yorba Linda Country Club, in Yorba Linda, California. The first tee-off is at 8:30 a.m. but opportunities abound throughout the entire day for golfing, networking and fun. If you are interested in finding out more, please contact Susan Biris at (323) 215-0301 or at susan@awfs.org.

Finally, it is time once again to register for the Woodworking Industry Conference. This year's WIC will take place at the beautiful Delray Beach Marriot in Delray Beach, Florida, from May 2-4. In addition to being one of the woodworking industry's top networking events, this year's WIC will feature Industry CEO, Economic Outlook and Public Policy Forums along with an incredible array of networking opportunities. For [complete information](#) including a conference brochure which contains details, schedules, pricing and registration instructions.
