Destinii Smith
1417 Hearthside St
Durham, NC 27707

Dear Destinii:

Thank you for applying to the NSF Summer Internship Research Program on “Design and Delivery of Polymer Drug Complexes” at Virginia Tech. We are pleased to communicate to you that Professor Riffle would like to invite you to participate in the program as an intern in her laboratories. Congratulations on receiving this prestigious offer. Please let us know as soon as possible if you will accept this offer.

Sincerely yours,

Judy Riffle, PhD
Professor Chemistry
Director Macromolecular Science and Engineering

S. Richard Turner, PhD
