Presents

Olathe Family SNAG (Starting New at Golf) Day

What: You and your family are invited to play our SNAG golf course at Stagecoach Park. Come and experience a game developed for all ages. The game of SNAG is a cross between mini golf and traditional golf. It is fun, easy to play, and is currently being introduced and taught in the Olathe Public School PE classes. This is a great family activity.

Why: Since all Olathe kids are being introduced to "SNAG" golf in school, we felt this day and experience would be of great interest to parents and families. In addition the Olathe Parks and Recreation will also be offering additional SNAG Golf Programming for the fall of 2012.

Where: Stagecoach Park (Just off of Ridgeview)

1205 North Kansas City Road
Olathe, KS 66061

When: Time: 10am-2pm 4/28/2012

Cost: There is no charge for playing and equipment will be provided by the Midwest PGA and SNAG Golf.

For additional information contact the Olathe Parks and Recreation Department, Kent Rettig, Olathe Recreation Program Manager: 971-8563
