

Eagle Scout Project for the Bedwell Garden

My name is Alex Rundella. I am a student at Bernards High and a Boy Scout in the Bernardsville Troop. I am asking for your help. This week I am embarking on my Eagle Scout project and will be improving on the amazing Bedwell Garden. I wish it was here when I was a student at Bedwell! I will be creating approximately 4,000 square feet of stone pathways around the garden beds and constructing a few more raised beds. I am calling upon the parents of Bedwell students to aid me in my efforts. I will need to raise approximately \$1,000 for materials in order to complete the project. Any monetary assistance you can provide would be greatly appreciated and will help the long term expansion of the garden. No donation is too small! Donations can be mailed to me at 5 Ambar Place, Bernardsville, NJ 07924. Checks should be made out to BSA Troop 150. If you have any questions you can reach me at 908-766-4425 or a.run716@yahoo.com.

Thank you for your support.
