

Building Our Neighborhood One Trait At A Time

Hello at home,

Thank you for helping us build our neighborhood. With your support at home, we can encourage our students to be respectful, responsible, caring, good citizens, trustworthy, and fair.

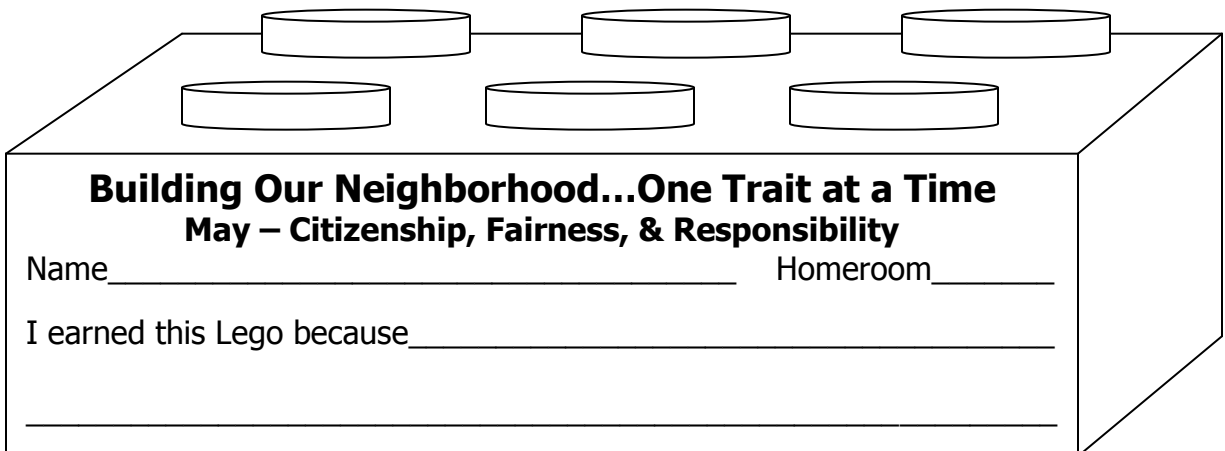

In the month of May, we will be revisiting the character traits of CITIZENSHIP, FAIRNESS, and RESPONSIBILITY. As we come to the end of the school year, we are sure that your children are character education experts! Now is the time to show how much they've learned.

Don't forget, your child can always check out great books from the library about our character education theme for the month!

This month's Spirit Day focusing on CITIZENSHIP, FAIRNESS, and RESPONSIBILITY will be in honor of Memorial Day. To show your support for our country, students are encouraged to wear red, white, and blue to school on Friday, May 18th.

An optional at-home activity: write a letter to a soldier to show how much you appreciate his or her service, feel free to include your favorite joke to keep them laughing! Be sure to sign your letter "From your Bedwell friend" and return it to school.

Remember to fill out the certificate below when you catch your child displaying one of these traits at home.
