

Bedwell Buddies

Dear Parents,

Many new children in grades 1-4 will be attending Bedwell in the Fall of 2013. The "Bedwell Buddies" program helps new students make new friends before the start of the new school year by matching them with a current Bedwell student in the same grade.

If your child would like to be a buddy to a new student, please fill out the information below and drop it in the "Bedwell Buddies" box in the main lobby. You can also email the information to the address below.

If you are selected to be a buddy, you will be contacted with a new student before the first day of school. We ask that you reach out to the new student to welcome them to the community and answer any questions they might have about Bedwell.

You can schedule a play date with your new buddy at your mutual convenience, maybe a local park or the Bedwell playground. This will ensure that all new children will know at least one familiar face on their first day in their new school.

If you have any questions, please contact: Heather Santoro at BedwellBuddies@gmail.com.
