

SHEF ENRICHMENT ACADEMY

The Somerset Hills Education Foundation is pleased to announce a new initiative - the SHEF Enrichment Academy. The Academy, launching in July of 2013, will offer a host of courses to be held at Somerset Hills School District facilities. Reasonably priced, these courses will enhance or enrich students' current academic pursuits and help develop various skills, abilities, talents and interests. The SHEF Enrichment Academy courses **will not provide academic credit**. The program guide and online registration are now available through the SHEF website - www.shfnj.org. Click here for [Course catalog](#).

Course catalogs are also available at all three SHSD schools, Bedminster School and the Bernardsville and Clarence Dillon (Bedminster) libraries. Questions can be addressed to: shfenrichment@shsd.org
