

The Bedwell Directory is Going GREEN (and Virtual!)

The Bedwell H.S.A. is excited to introduce our first ever Online Directory!

With your annual H.S.A. membership, you will receive online access to the Bedwell Directory from your computer, Smartphone, iPad or ANY Internet device.

WHY ARE WE DOING THIS?

- ★ Saves time—you will have access to the directory much sooner!
- ★ Saves money—reduced printing cost & less impact on the environment.
- ★ Reduces errors—you enter your family's personal information to guarantee accuracy.

HOW DOES IT WORK?

- ★ Two easy steps: We provide you with access to the secure database where you enter your family's information and then choose the privacy settings desired.
- ★ Once information has been verified, members will be notified the directory is available.

WHAT ARE SOME OF THE FEATURES?

- ★ Easily manage all of your family & school contacts in one place.
- ★ Support for primary and secondary households.
- ★ Members can access the directory from any Internet connection where you can view, search, sort data and print from your own computer.

IS IT SECURE?

YES! We are working with MyDirectoryMaker.com, a company that provides online directories for hundreds of schools and congregations. All data is stored behind secure firewalls and can only be accessed by authorized users with a validated username and encrypted password.

THIS SOUNDS GREAT! HOW DO I GET STARTED?

- ★ Fill out the Membership & Pledge Form for 2012-13. With your \$20 Membership, you will automatically be contacted via email to collect your family information.

IS IT STILL POSSIBLE TO GET A PRINTED COPY OF THE DIRECTORY?

Yes! Upon request, we will provide H.S.A. members with a printed copy of the Directory. Please note--it will not fit into the previous binders.
