Austin's Intro

October 1st, 2012

Hi! My name is Austin. I am fourteen-years-old and live in New Jersey. I have Moebius Syndrome. I live a pretty normal life. I am now a freshman and have a lot of good friends. I am very confident, kind, and definitely not shy. Music is my life! I LOVE music! I have been in band since fourth grade and I am also a big part of the drumline in marching band. 😊 All of my friends are really supportive and awesome! I definitely have a good support group. So, yeah, that's me.
