Funding Opportunities listed in BUILD ECE News – 2013

The following funding opportunities have been listed within the BUILD ECE News. Unless otherwise noted, these opportunities are not those which originate from BUILD, the PA Office of Child Development and Early Learning (OCDEL), the PA Key or Regional Keys. It is likely that most grant opportunities will be available to schools and/or organizations holding nonprofit status. Please see the website listed for information on qualifying and applying for the grant.

Why are there grant with expired deadlines included in this list? Often funding organizations will provide annual grant opportunities. Providing information, even though it may be expired, allows users to see last year's deadline to help prepare for future deadline opportunities. To locate current grant opportunity deadlines, contact the funder or visit their website.
