

The Bahamas Billfish Championship will celebrate its 40th anniversary in 2013. As part of the celebration, we will return to a four tournament schedule and fish Monday, Tuesday, Thursday and Friday. Wednesday will be the mandatory lay day. You might say we are returning to our roots since this is the tournament format that was used in 1973 when the informal competition to determine the 'Bahamas Champion' took on a more organized form and became the 'Bahamas Billfish Championship.'

2013 Bahamas Billfish Championship
