

FROM the heart of the Americas, WEAVING a Community of CHANGE

February 14th - 19th 2014

It is with great joy that the family of Initiatives of Change in the Americas invites the international network to join us in the “Encuentro of the Americas” in Bogota, Colombia.

Our goal is to gather, to deepen and continue:

- 1. Exploring the history of lofC in the Americas in order to heal and draw lessons for the present.*
- 2. Understanding and deepening the purpose of lofC in and for the Americas.*
- 3. Learning from each other and looking for opportunities to work together to meet the needs of our countries.*

*To achieve our dream we truly value your participation
and we need the support of all of you
who care about the future of our continent.*

*We thank you in advance and appreciate all the help you can give us,
but especially for the gift of your presence.*

*For additional information and registration please contact
