

When Is My Recycle Day?

How To Use This Map:

1. Locate your home on the map below to determine your color zone.
2. Once you have determined your color zone, refer to the legend on the facing page.
3. Your color zone will determine when you will receive recycling service.

To help you remember, we suggest you circle the days in each month your recycling will be picked up!

Your recycling bins should be at the curb before 7 a.m. on your scheduled day.

Your bi-weekly pickup day is based on your geographical location. Please refer to the map and the legend to determine your color coded pickup day. The colors on the recycling calendar indicate the pickup day for your area.

If you need further assistance, call the Recycling Center at (843) 720-7111 or visit recycle.charlestoncounty.org and click on the 'Biweekly Curbside Pickup Schedule' link; type in your address to determine your service day.
