

The Inside Story

Gore-Tex® footwear is the most of its
art in double waterproof breathable
barrier technology.

Gore-Tex® footwear keeps your feet dry
from the inside because it's double
waterproof.

*Resistant to moisture vapor, yet breathable,
Gore-Tex® is the most of its art.*

Gore-Tex® Bootie

Gore-Tex® Bootie is made with the
Gore-Tex® barrier. The patented barrier is
an all encompassing waterproof and
breathable barrier that
completely surrounds the foot providing
a true seal. It is permanent and
double waterproof.

1. The Gore-Tex barrier is made of
polyurethane and is permanently
bonded to the inner lining of the bootie.

2. The Gore-Tex barrier is made of
polyurethane and is permanently
bonded to the inner lining of the bootie.

3. The Gore-Tex barrier is made of
polyurethane and is permanently
bonded to the inner lining of the bootie.
