The bust of General George Washington is featured on the Purple Heart medal.

Elizabeth Will, an Army heraldic specialist in the Office of the Quartermaster General, was named to redesign the newly revived medal, which became known as the Purple Heart. Using general specifications provided to her, Will created the design sketch for the present medal of the Purple Heart. Her obituary, in the February 8, 1975 edition of the *Washington Post* newspaper, reflects her many contributions to military heraldry.
