

# PARTNERSHIP FOR GIRLS RETURNS!

**What is Partnership for Girls?** It is a *fundraising opportunity* that equally benefits troops and Girl Scouts Carolinas Peaks to Piedmont. To have a strong Girl Scout experience, a girl needs a strong troop and a strong council. Money raised through the Partnership for Girls campaign will be split 50/50 between GSCP2P and the troops. All gifts are 100% deductible.

Created in 2012, this is a **DREAM BIG** opportunity for our troops. What would you do with your troop if money were no object? Trips, community projects, uniforms, books for everyone? The sky is the limit!

Starting on May 1, once you register for Partnership for Girls, you may hold fundraisers, ask family and friends to make donations to your campaign, contact corporations and more! In addition, each girl will receive a coin box to collect pocket change during the summer months. A Campaign Coach will be assigned to you to make sure your program is successful.

## Here's what some troops said about the campaign last year:

*"My troop has a lot of single, working moms so I wasn't sure how well we would do with Partnership for Girls. But our girls collected change at home, and before we knew it, we had enough to become an Honor Troop! My girls were so excited!"*

*"Our troop did great! We have more money in our account than ever before. The girls decided to use a third of it for uniforms for everyone, a third of it for a community service project and a third of it for a special trip!"*

## Dream Big and Join Us in Partnership for Girls!

### Contact your Regional Executive to find out how to sign up now and DREAM BIG!
