On Saturday, the girls have over 100 workshops to choose from to explore new crafts like candles, basket weaving, or stained glass pendants. Girls can try belly dancing, scavenger hunts, or making sushi. Saturday evening features banner judging, live entertainment, and swap time. On Sunday, each girl leaves Camping Connection with some new friends and some new craft ideas or other skills.

WORKSHOPS

Please read the workshop choices carefully. Workshops will be assigned on a first come, first served basis from the choices on each Girl's Registration Form. You may not receive your first choice in each time slot. You will find that some workshops require additional fees. The additional fees are to be paid within two weeks of receipt of the confirmation packet. Adults are asked to assist with workshops. **There will be NO ADULT WORKSHOPS**. Please have your adults indicate on their Adult Registration Forms how they are willing to assist.

FINANCIAL CONCERNS

Financial concerns should never be a barrier to participating in Girl Scout programs. A limited amount of outreach funds, grants, and scholarships are available to help offset the cost of event fees, only after troops have exhausted all other forms of financial resources. Assistance is based on need. Grant request forms are available from your Service Center.

Each troop is responsible for bringing their own tents to use for the weekend. The Camping Connection team **will NOT** be providing **ANY** camping equipment at the site. Any male participants will camp on their troop site in a separate tent, not in a separate area.

MEMENTOS

Camping Connection t-shirts and patches are available through advanced sales only. The t-shirts will have the Camping Connection 2013 logo on the front. Please see the price list on the Troop Summary Sheet. These items are optional and can be ordered on your Troop Summary Sheet. Each participant will receive a Camping Connection 2013 memento. Mementos will be distributed to troop leaders at the event. Leaders, you are responsible for having your girls' individual orders with you at the event.

TRAINING

All troops participating in Camping Connection are required to have an adult camping with them that has completed Basic Outdoor Skills Training or recertification.

SWAPS

Swaps are small, inexpensive, hand-made items used to introduce yourself to new friends or trade as a remembrance. Think about your special interests and hobbies, or what is unique to you, your troop, or community. Then find a way to represent one or all of these ideas. Be sure to attach your name and address to each swap. Swapping will occur throughout the entire event. We encourage girls and adults to make swaps.

CONFIRMATIONS

Confirmation of troop registrations and individual workshop assignments will be sent to the troop leader in late April. Registrations are final upon confirmation. After this time, no refunds can be made. Should anyone in your group be unable to attend after registration is closed, please feel free to bring a substitute along *with all the required forms*. The substitute must be a registered Cadette, Senior, or Ambassador Girl Scout and must attend the assigned workshops.

CANCELLATIONS

The Camping Connection 2013 team reserves the right to cancel this event if the minimum number of participants is not reached or due to weather or other situation that threatens the safety of the participants. ENTERTAINMENT & SPECIAL PROGRAMS AT CAMPING CONNECTION 2013

"Girl Scouts Go to the Beach"

FRIDAY NIGHT

Make your drive to the South Mountain Fairgrounds for Camping Connection 2013. Explore the hidden beauty of Adams County as you wind through the beautiful apple orchards and onto the South Mountain Fairgrounds. Upon arrival you will check in and set up your site for the weekend. We are looking to give an award for the best tropical campsite. Later that evening there will be a beach bonfire and time to swap!

SATURDAY MORNING

We encourage all participants to display your banner and join together for the Camping Connection Opening Ceremony being held on the "Boardwalk" (outside of the Auditorium) at 9:00 AM. Shortly after the ceremony, the morning workshops will start. **ALL** workshops are being held on site again this year. Our site has buildings, electricity, and flat playing fields. We want to thank all who have volunteered to lead a workshop this year. You really make this event a success!

SATURDAY AFTERNOON

Now that you have digested your lunch and spent some time at your site, it is time to try more new workshops. Don't forget to take along any supplies that are needed for your workshops.

SATURDAY NIGHT

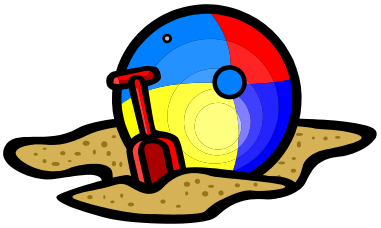
Starting at 7:00 PM at the "Boardwalk" you can vote for your favorite banner. Again this year THE GIRLS will decide who designed the best banner. And just for participating in voting, your name may be drawn for an individual prize. Favorite banner, voting award, and best site awards will be awarded Sunday morning at the Closing Ceremony.

Then at 7:30 PM our entertainment will begin in the auditorium with "Girls Scouts Got Talent " and a DJ Dance Party!

SUNDAY MORNING

At 9:00 AM a Scouts' Own will be held for anyone who wishes to participate in the Auditorium. Following the Scouts' Own, we will all gather at the "Boardwalk" at 9:45 AM for the Camping Connection 2013 Closing Ceremony.

Remember, all evaluations must be turned in before departing the event. Have a safe trip home!!



BANNER CONTEST

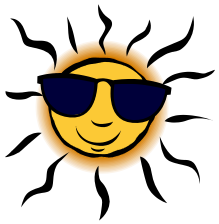
All troops are invited to participate in the Camping Connection 2013 Banner Contest. Banners should follow our theme "Girl Scouts Go to the Beach." All banners need to include the troop number, town, service unit, and GSHPA or other council. Size of the banner is to be no larger than 4 ft. by 3 ft. Include a few inches for overlap at the top because banners will be hung from a line using your clothespins. Be sure to make your banner waterproof.

Troops will display their banner on Saturday morning before the Opening Ceremony. Banners will be hung in a common area around the "Boardwalk." Judging will take place Saturday evening by the girls before entertainment starts.

The winning banners will be announced at the Sunday Closing Ceremony. Prizes will be given to the 1st, 2nd, and 3rd place troops. In addition, to encourage all girls to participate in the judging, several "ballots" will be pulled at random and prizes will be awarded to those individuals.

SURF, SAND, & SWAPS

Use your imagination. Create swaps to follow the theme "Girl Scouts Go to the Beach." Meet other Girl Scouts at 7:00 PM on Friday evening at the "Boardwalk." You could end up with some great swaps and new friends!



GIRL SCOUTS "GOT TALENT" SHOW

The theme for this year is "Girl Scouts Go to the Beach." On Saturday night, girls are encouraged to provide a talent to be judged. All talent is accepted, but those who incorporate the theme into their talent will get extra points.

The talent show will start at 7:30 PM. Those sharing their talent should check in with a Camping Connection Team Member at the back of the Auditorium to get your name and talent on the list well before the start time.

Please consider others when choosing your content and presentation, so you don't offend anyone with your talent. Your talent should be no longer than 3 minutes. Please remember (for those girls dressing up), the Girl Scout dress code includes sturdy walking shoes and no spaghetti strap tops. These technical props are provided: CD/Cassette Player and handheld microphone.

When returning your confirmation packet we will need to know how many in your troop would be interested in performing.

CAMPSITE DECORATING CONTEST

All troops are invited to decorate their campsite following our tropical beach theme. Please display your troop number, service unit, county, and town at your site. Judging will take place Saturday during the day. The winner will be announced Sunday at closing ceremony. Prizes will be given to 1st, 2nd, and 3rd place troops.
