GIVE

HAPPY HOLIDAYS FROM BOSS!

*Established in 1971, BOSS has over 40 years experience helping homeless families and individuals.
In Alameda County, BOSS operates a network of housing, health, economic development
and social justice programs.*

There so many ways to help spread joy this Holiday Season:

Consider donating a holiday tree to a shelter, or giving a gift box of toiletries,
new toys for children (all ages), department store gift cards, school and art supplies,
musical instruments, sports equipment, warm clothing, hats and scarves, new socks,
canned goods, public transit tickets, movie tickets and cash
OR facilitate a community drive to collect items mentioned above.
